2010 CHOIR TOUR

Dominican Coffee

The adult mission team brought back over 180 pounds of naturally grown coffee from the Dominican Republic. This has become a tradition each year since it was initiated several years ago by our church members. This coffee is grown, roasted, and packaged through a family-owned business locally in Barahona where we have centered our mission efforts for several years. All of the proceeds from each one-pound package (\$10) will go back to the Barahona community in the Dominican Republic and the bateys there to continue much needed assistance in those communities. The coffee is available in the church office on weekdays and on Sundays.
