Dear Wendy,

We had a great week of Vacation Bible School with over 145 students and lots of wonderful helpers making the week a big success! Younger students moved between crafts, recreation, storytelling, music, and the science lab as they explored Bible stories that taught trusting God, loving others, following Jesus, caring for others, and sharing the good news. While they explored these topics, our 5th and 6th graders were on the move each day delivering meals for Meals on Wheels, taking canned food to Samaritan House, packing hygiene kits at Place of Hope, and entertaining children at Pleasant Valley.

Thanks to everyone who made it a great week!
